

A letter from our Board President:

After seven years of serving the Angels & Sparrows community, Jessika Tucker, our Executive Director, will retire from her role after a brief transition period. Jessika served our organization with extraordinary dedication and heart, and after years of visionary leadership and transformative impact, she is stepping into a well-earned new chapter in retirement.

During her time with Angels & Sparrows, Jessika's leadership has been truly pivotal and far-reaching. She spearheaded efforts to deeply understand the needs of the individuals and families we serve, leading to the thoughtful expansion and adaptation of our programs. This expansion includes the implementation of our Pathway Program, which provides educational services to our families and has had an immediate and substantial positive impact. Jessika's unwavering dedication has been instrumental in driving our mission forward and establishing a strong foundation for the future.

We are pleased to announce that Brandi Jones will be stepping in as Interim Executive Director effective July 1, 2025. Brandi joined the organization in June 2022 as Program Director, and her impact has been both immediate and profound. Her appointment ensures stability and continuity during this time of transition. Brandi's proven leadership and unwavering commitment to our mission will provide a steady hand as we continue delivering impactful programs, essential resources, and meaningful connections. With 20 years of nonprofit experience in a variety of management and leadership roles, she brings a wealth of knowledge and a deep dedication to improving the lives of individuals and families facing economic challenges.

Guided by our core values of dignity and respect, we will continue to nourish and empower families experiencing financial hardship as they work to build brighter futures. We are excited about the future and the opportunities it holds. With your continued support, we are confident that we will achieve even greater success and make a lasting impact on the lives of those we serve.

We will continue to keep you informed throughout the transition and share any key updates as they arise. If you have any questions, please don't hesitate to reach out to me at 704-426-7293 or Brandi Jones at 704-232-1294.

Thank you for your unwavering commitment to Angels & Sparrows.

Sincerely,

Carl Senn, Board Chairman
